Water and stone Tour - 14Km

Branne - Lugaiggnac - St Aubin de Branne - Cabara - Branne

- ⇒ **Start** on the town hall square (**11th November Square**).
- ⇒ Turn right at the **D936** on 100 meters, then turn **left** to **Guillac (D122)**.
- ⇒ Go straight on **D122** for about **1 km**.
- ⇒ **At the crossroads**, go straight on **200 m** and turn left (Jean-Larc et Jean Got).
- ⇒ Continue on your left and then turn **right** to join the D19.
- ⇒ At that crossroad, you can ride **to the roman church** of Lugaiggnac (turn **twice on your left**).
- ⇒ Return at the previous crossroad of the D19 (*nice point of view on Libournais and Saint Emilion*).
- ⇒ Go to **Saint Aubin de Branne**. Cross D19E2 and go straight. About 300 meters after, **turn right**, you can stop to admire a **windmill** built in 1810.

Windmill appear during the 14th century in Entre-deux-Mers region. But it's after the middle of the 16th century they knew a big development.

- ⇒ **Turn left** to arrive in Saint Aubin de Branne city centre. Follow the road.

Saint Aubin de Branne is a beautiful village with a nice roman church which has painted walls from the 16th century.

- ⇒ Continue to the **war memorial**, and turn right (**D19E**).
- ⇒ On your left, you can see the castle of Bedat (*16th century*). Before the Engranne stands on your right the mill of Estrabeau (*from the 16th century*).
- ⇒ After crossing the stream Engranne, you will arrive **D119**. At the stop sign, turn **left**.
- ⇒ Ride in front of the castle of Fantin (right), the mill of Ferrand (left), and a windmill (right). **Go straight D18**.
- ⇒ Turn **left** to **Cabara**.
- ⇒ Turn right to join the banks of the river.
- ⇒ You will arrive in Cabara city centre.

Cabara's harbour, with its old warehouses, reminds that the village was turned on river trade during the 19th century.

- ⇒ **Go through ride to Branne** (2 km).
- ⇒ **At the bridge**, turn left to return at the start point in front of the town hall.
